

Advertising on the Chamber website

Currently, there are two types of spaces—on the crawler or on the banner.

All ads on the crawler will be the size of the Xcel and Atmos ads. The ads can be a link to the advertiser's website, if desired. We limit the number of ads on the crawler to eight, so each one comes up pretty frequently.

The banner is a stationary ad. (Currently, it's the one with golfers and Ashmore & Associates.) The entire banner is available, or we will sell it in halves.

Rates:

Crawler -- \$300/6 months. \$500/year

Banner: Full -- \$700/ 6 mo; \$1200/year. Half -- \$400 for 6 months; \$700/year

Eventually, we will sell advertising in the directory itself, but currently we are limiting it to the home page.

If you have any questions, please call the Chamber at 806.669.3241.
